An aerial photograph of a vast, frozen lake. The ice is a striking turquoise color, with numerous dark, winding channels and cracks that reveal the water beneath. The overall appearance is that of a complex, organic pattern of ice and water. In the far distance, a thin line of trees and a snow-covered shore are visible under a pale sky.

A winter landscape featuring a wide, frozen river in the foreground. The ice is light blue and white with some darker patches. On the left bank, there are several tall, thin evergreen trees with brownish needles. The background shows a steep, rocky hillside with patches of snow and sparse vegetation. The overall scene is cold and desolate.
