An aerial photograph of a mountain valley. The terrain is rugged and dark, with several large, irregular patches of snow or ice scattered across the slopes and in the valley floor. A river or stream is visible, winding through the valley. The lighting is dramatic, with deep shadows and bright highlights on the snow.

A close-up photograph of two people outdoors. On the left, a woman with dark hair is smiling broadly, showing her teeth. On the right, a man wearing a grey bucket hat and blue-rimmed glasses is holding a black Sony camera up to his eye, taking a picture. The background is slightly out of focus, showing what appears to be the side of a vehicle with a ladder. The text 'Geo Photo Bank' is overlaid at the bottom of the image in a stylized, outlined font.
